Forecast for Monday 06 Sep 2021

Weather: First thing there will be some mist and fog in some valleys, though this will quickly clear to leave largely clear skies for much of the day. Overnight it will remain dry and mostly clear though patches of fog will form in valleys.

Chance of cloud free mountain/hill tops above 600m: 80% becoming 100% by mid-morning.

Visibility: Generally good put poor first and last thing in any fog as this lifts and clears in the morning, visibility will temporarily deteriorate on some hill tops.
